2018/2019 Incentive Program Description and Procedures

- The New Student Referral Incentive Program awards a referring Faith Baptist Schools family with a **\$200 tuition credit** for each new student that is referred to, enrolls in and attends Faith Baptist Schools. This tuition credit is applied two times per school year in October (\$100.00) and March (\$100.00). *(Refer a family that enrolls two students and receive a \$400 tuition credit; refer a family that enrolls three students and receive a \$600 tuition credit, etc. Cannot exceed the referring family's tuition amount.)*
- The referral program is for parents or guardians who are paying tuition for enrolled students (K3 through grade 12) attending Faith Baptist Schools at the time of credit distribution.
- A \$100 incentive award per newly referred K3-12 student is applied two times per school year in October (\$50.00) and March (\$50.00). Referred students must be enrolled at the beginning of a semester for the referring family to receive their first distribution. (If a referred student begins mid-semester, the referral award distribution will begin during the second semester of enrollment.)
 - Families who pay monthly payments will receive a credit to their account.
 - Families who pay their tuition in full before the school year begins will receive an incentive award check.
- A signed New Student Referral Incentive Program form (also available online) must be on file in the Finance Office two weeks prior to the reward distribution, (October and March) **and** a name match must be indicated in the Referral Verification box on the new student's Enrollment Application.
 - Submission deadlines: September 15 for October award; February 15 for March award.
 - Turning in a completed Referral Incentive Program form after the deadline will reduce the award by half. Family will receive second distribution only.
 - Failure to turn in a completed Referral Incentive Program form will make the referring family ineligible for the reward.
- Incentive award consideration is limited to the referral of brand new families enrolling students in FBS and does not apply to students transferring, returning, siblings of current FBS students, nor families who have previously had students at FBS within one academic year.
